

OOP Project

Carlos Daniel Ramirez (LE1927627)

420-340-LE: Object Oriented Programming 2

Instructor: **Alexander Jaramillo Zuleta**

September 23, 2020

The screenshot shows the **Personal Music Collection** application window. It contains two list boxes: **Albums** (labeled `albumListBox`) and **Songs** (labeled `songsListBox`). Below each list box is a **Delete** button. To the right, there are input fields for **Album** (Name, Year, Artist) and **Song** (Title, Length, Artist, Album). Buttons for **Add Album**, **Add Song**, and **Save** are present. On the far right, there are radio buttons for **Add Mode** (ON/OFF) and **Edit Mode** (ON/OFF). A **Close** button is located at the bottom center.
